Dear Remy,

I wanted to take a moment to express our heartfelt gratitude for the installation of the mini ramp at the Freedom Skatepark. It has been an incredible addition, and it's truly wonderful to see so many young skaters out there eager to learn and improve their skills.

Your ongoing support over the years has made a significant impact in creating a space where our youth can thrive and express themselves. The joy and excitement we see on the faces of the skaters is a testament to the positive effect that Jamaica Skate Culture has on our community.

We are thrilled about the future and the opportunities ahead for our young skateboarders, and we look forward to continuing our collaboration to foster a vibrant culture of skating in Jamaica.

Thank you once again for all that you do!

Warm regards,

Lisa D'Oyen
